# WHY SHOULD YOU ATTEND THIS SEMINAR?

If you are an employer who is trying to comply with federal and North Carolina state laws regarding your health plan, this is your chance to talk to both federal and North Carolina state regulators at the same time, in the same place. If you are a third party administrator or a carrier who has questions about new laws and issues, this is your opportunity to ask the experts.

The U.S. Department of Labor is teaming up with the North Carolina Dept. of Insurance to bring you practical information, helpful tips, and clarification regarding North Carolina and federal health benefits laws. In addition to the U.S. Dept. of Labor and the North Carolina Dept. of Insurance, representatives from the IRS and HHS, who will speak and answer questions, will join us.

This seminar is FREE and open to the first 150 registrants. Registration will be on a first come first served basis, so please fill out and return the registration form on the back of this brochure AS SOON AS POSSIBLE by fax, phone or email if you wish to attend.
